

GLYNNEATH AND DISTRICT GARDENING CLUB

Information Sheet January 2018

This year it is hoped to maintain a regular and steady flow of information about the Club's activities to all members.

The planned programme to date for the monthly meetings held on the 4th Friday of the month at 1p.m. in Glynneath Training Centre is as follows:

26th January: Group quiz led by Graham Morris. Once again we can be impressed by Graham's extensive horticultural knowledge and also entertained by his subject-related jokes.

There will also be the opportunity to renew your annual membership which will remain at £12.

Elizabeth Belcham has very kindly organised the following speakers for the following 3 months:

23rd February: Welsh Historic Gardens with Ann Gardner.
Ann Gardner is the Secretary of the society's West Glamorgan Branch.

23rd March: The National Garden Scheme with Mr. Bob Priddle

27th April: Wild Flowers in a Woodland Garden with Mr. John Roach

I am sure that you will agree that this looks a very interesting programme for the early part of the year.

If you have any suggestions for speakers and/ or activities that you would like to see at the Club's monthly meetings, do not hesitate to let a member of the committee know. Similarly, the committee would also welcome your suggestions for the Club's trips this year. The next committee meeting will be held on Monday, 5th February.

How should the Club celebrate its 10th anniversary?
